

# PARKING NEAR NYU SCHOOL OF LAW

Parking in New York City can be a challenge. Most of the prime spots on the street get filled-up pretty quickly. Fortunately, there are more than 2,300 parking facilities in the City. While they are licensed by the City's Department of Consumer Affairs, their prices are not regulated. Overnight parking typically costs \$20 to \$28 a day. All parking garages and lots in Manhattan charge a 10.25% tax and an 8% surcharge. Many of them will also surcharge oversized and luxury vehicles. Note that not all locations are open 24-hours.

Below is a listing of parking garages near NYU in the Greenwich Village area. Some of these places offer discounts to NYU faculty, staff, and students with a valid NYU Card.
