

## Iowa: Youth Pre-Registration to Vote

*Voting is the cornerstone right of our democracy. You can only have your voice and your needs reflected in government if you vote. Pre-registration is an important tool that allows people younger than 18 to vote as soon as they are eligible.*

- ✓ Iowa allows people to register to vote starting at 17 years and 6 months of age.<sup>1</sup>
- ✓ Beginning January 1, 2019, the minimum age to register is lowered to 17 years-old.<sup>2</sup>
- ✓ To register, fill out the [Iowa online registration application](#) or print and mail-in the [paper form](#). To complete the online form, you need an Iowa Driver's License or ID Card number.
- ✓ If you have any questions about your eligibility to register to vote in Iowa, contact your Iowa [County Auditor](#).

Until January 1, 2019 Iowa does not allow those younger than 18 to vote in primary elections, even if they will be 18 by the time of the general election.<sup>3</sup>

Beginning on January 1, 2019, people 17 years of age will be permitted to vote in primaries if they will be 18 by the time of the election.<sup>4</sup>

Iowa allows students age 17 and up to serve as poll-workers. Students must be US citizens and enrolled in credit-bearing courses in at least 4 subjects, without any failing grades. They must have parental and principal permission, and complete training. The student must declare a political affiliation. No more than one student can serve per precinct.<sup>5</sup>
