

## Utah

*Voting is the cornerstone right of our democracy. You can only have your voice and your needs reflected in government if you vote. Pre-registration is an important tool that allows people younger than 18 to vote as soon as they are eligible.*

- ✓ Utah has pre-registration to vote starting at age 16.<sup>1</sup>
- ✓ To pre-register, just fill out the standard Utah voter registration form and submit it to a country clerk in person, by [mail](#) or [online](#).<sup>2</sup>
- ✓ When you fill out the application to pre-register, you will get a confirmation card in the mail.<sup>3</sup>
- ✓ Your pre-registration will be converted automatically into an active registration when you turn 18.<sup>4</sup>
- ✓ Utah law allows students age 16 and up to serve as poll-workers.<sup>5</sup>

Utah law does not allow those younger than 18 to vote in primary elections, even if they will be 18 by the election day. You must be 18 to vote.<sup>6</sup>

Utah allows students age 16 or 17 to serve as poll workers. If a person under 18 is appointed, at least one of the three members of the election board must be older than 21, and only one may be under 18.<sup>7</sup>

For more information, see ACS's resources on [pre-registration](#) and [youth poll workers](#) in all 50 states.

*ACS encourages everyone to learn more about voter registration in their state. ACS is not a voter registration entity. This is simply an informational tool and is not intended, nor should it serve, as legal advice.*
