

# U.S. Circuit Courts of Appeals Composition

The U.S. Circuit Courts of Appeals are often the courts of last resort for issues from voting rights to immigration to the environment to reproductive health. Due to obstruction by the Senate Majority during President Obama's Administration, numerous nominations expired and vacancies were held open. Now, President Trump's Administration and the Senate Majority are ushering in radical transformation of the U.S. Circuit Courts of Appeals.

-  Sitting Judges
-  Current & Known Future
-  Vacancies
